Paul MacKay

September 15, 2023

- *My academic program:*
  - Major in Computer Science.
- *Things I already know in OS:*
  - Some process theory.
- *Things I want to know in OS:*
  - Learn and understand more about OS theory and practical experience.
- *Issues with course logistics?*
  - N/A
- *Willing to be the course rep?*
  - I am in T01! Where can I find more information about being a course rep? What are the requirements and responsibilities for this role?
- *let me know about you!*
  - Hello, My name is Paul MacKay, I am a third-year CSC student in your Computer Science 360 Operating systems. I'm excited to learn more about theory and practice of Operating systems. I look forward to a great term. Thank you!
